Special Correspondence of The Star. ROCKVILLE, Md., April 1, 1911. Upon being convicted in the circuit court here this afternoon on an indictment charging him with burning the Summit Heights Hotel, formerly Fairview Seminary, at Gaithersburg, this county, the night of January 28, Charles Saffel, a young resident of Gaithersburg, was sentenced to ten years in the Maryland penitentiary by Judges Motter and Peter, be-The building belonged to John B. Dia-

insurance.

Tschiffely of Rockville representing one of the insurance companies, began an investigation. After working on the case a week or more he decided that he had unearthed sufficient evidence to justify an arrest, so he wired State Fire Marshal Thomas J. Ewell to meet him at Gaithersburg. Shortly after his arrival in Gaiwarrant charging Saffel with the crime Meloy of Nichols avenue, Congress and Sheriff Viett, who had also been asked to come to Gaithersburg, placed Saffel under arrest Saffel at first denied that he knew any thing about how the building caught fire, but when told of the evidence against

giving first aid treatment, and took her Miss Reeves, the physician found, in addition to sustaining several painful bruises was suffering considerably from shock. Her condition was not serious, him weakened and admitted his guilt, however, and the physician thinks she giving as his only reason that he "wanted to see the people run." Saffel later signed a typewritten confession, which

> contended that he was weak-minded and was mentally unable to appreciate the seriousness of the act. A number of persons testified that he was not right mentally, but the evidence failed to show that he did not know right from wrong and the court promptly decided him

free.
Then comes the test that tells. After seven days' use as directed take out your mirror and see for yourself the countless tiny, little hairs that have sprung up on every bald and thin spot. Use another week and watch them grow. From 30 to 90 days may be required to develop a full growth of healthy, luxuriant, glossy hair, depending on the condition of your hair today, but 7 days' use will prove the merit of my treatment beyond doubt. It never fails.

This remarkable scientific treatment is based on the discovery of the wonderful hair-growing qualities of the juice of the rare and little known Pernambuco Shrub of South America, and where hair roots are not totally dead,
